

## CORNERSTONE

February 11, 2007

To Whom It May Concern:

*Visions By Design* was hired by Cornerstone Christian School to film a promotional video.

First, I'd like to say that Cindy Harris did a fantastic job and I would hire *Visions By Design* again.

Cindy worked with us to gain an overall understanding of who we are. She did this by interviewing me and a number of the staff as well as touring our facility.

Shortly thereafter, she created a promotional script that accurately portrayed and promoted our school.

The filming of the video was hassle-free. *Visions By Design* guided us through a painless few days and ultimately produced a wonderful video.

*Visions By Design's* choice of narrator and background music positively accented the video too.

To summarize, *Visions By Design* did a fantastic job and I would hire them again. I am confident they will do a good job for you too!

Sincerely,  
CORNERSTONE CHRISTIAN SCHOOL
