To Whom It May Concern:

It is with pleasure that I am able to provide this letter expressing our sincere pleasure and appreciation with one of our sponsors, Cindy Harris, and her team at Visions by Design.

Early in 2006, Cindy Harris brought to our attention her interest in the 2010 Olympic and Paralympic Winter Games and the opportunities they would be bringing. We invited her to attend one of our 2010 Commerce Centre Procurement Workshops.

After seeing the quality of her work, I was pleased to hear shortly afterwards that her company was bidding on a video production contract with the 2010 Commerce Centre. The best part was that she won the bid.

When we invited her to consider being a sponsor with us, we had in mind the level of quality and efficiency she would be able to offer us. We wanted to have an outstanding video production of our events over the next five years and we knew that Visions by Design was exactly what we were looking for.

Our Board of Directors was pleased to welcome her company to our list of sponsors as a Diamond sponsor.

After a few months with us we asked her to produce a vignette of the footage she had gathered to date, so we could have a small production for immediate use. It was done well within the time frame we asked, and it was a pleasure to work with someone so responsible, pleasant, and sensitive to what we needed.

After this we realized that her work was going to be far more valuable to us, and her sponsorship would be larger than first identified so we now recognize Visions by Design as a Platinum sponsor.

We are definitely pleased with her work and the efficient professionalism she has brought to the Abbotsford Spirit of BC Community Committee.

Sincerely,

A handwritten signature in cursive script that reads "Christine Wiebe".
